AICTE & ISTE Approved

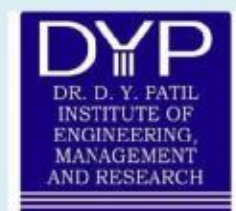

Skill Development Program for Industry
and Academia
on
"Sustainable Materials used in
Constructions"

Date: 11th June to 15th June 2018

Organized by

Department of Civil Engineering

Dr. D. Y. Patil Institute of
Engineering, Management &
Research, Akurdi, Pune

About Dr. D. Y. Patil Pratishthan

Dr. D. Y. Patil Pratishthan Educational complex, Akurdi is in proximity to Pimpri Chinchwad Industrial belt, IT Park of Hinjewadi & Automobile hub of Talegaon. The Pratishthan is spread over 33 acres of land at Akurdi, which is in the vicinity of Akurdi Railway station & Mumbai - Pune Express highway.

About the College

The Institute is established under Prestigious Dr. D. Y. Patil Pratishthan, one of the pioneers of Education in Maharashtra. In view of the demands from Industry, service sector & Society, our Institute aims at providing conducive environment for Teaching-Learning, Character building & overall personality development of the student. DYPIEMR offers Bachelor of Engineering courses in Mechanical engineering, Computer Engineering, Electronics and Telecommunication, Civil engineering and Chemical Engineering. The strength of the institutes lies in experienced and devoted faculty members with a longstanding commitment towards quality teaching and creative learning. As the smith has the ability to identify right diamond, our faculty identifies right skills to shape and develop the student accordingly.

About the Department

The Department is incepted in the Year 2013, the current intake of students are 120. To enhance the technical skill of students department has a team of experienced and qualified faculties who are committed to serve students with untiring zeal and enthusiasm.

About the program

Aimed with awareness of using sustainable materials in building constructions, proper utilization of renewable energies sources, current practices in industry and covers site visit to green buildings.

Course contents

- Sustainable construction materials and management
- Pervious concrete using SWM
- Utilization of plastic waste as radiation shielding
- Study on green buildings and landscaping
- EIA methods for green building
- Site visit to green buildings

Important date

Last date for registration is 10th June 2018.

Resource persons

Dr. Shrikar Dole (Founder & CEO, SDG Foundation)
Dr. R.K. Jain (Principal, JSPM's RSCOE,,Tathawade)
