TECHNICAL EVENTS REPORT
(MECHANICAL DEPARTMENT)

INNOVISION 2K15

Date: 10th - 11th February, 2015

Organizing Team:

1. Mrs. Amruta Adwant, Head of Department (Mechanical)
2. Mr. Sandesh Sole-Patil , Technical In-charge
3. Mr. Sushil Gaikwad, Teacher Technical In-charge
4. Mr. Sanket Thakare, Mr. Sunil Jagtap, Technical Coordinators

Foreword

Student Development at Padmashree Dr. D. Y. Patil Institute of Engineering, Management & Research, Akurdi, Pune integrates both in-class and out-of-class experiences of students. These educational efforts are directed at developing both intellect and character of students. To accomplish this, the institute makes available a wide range of educational experiences through programs and activities that complement and support the academic experience in the classroom. Although the primary focus of these activities is to advance students' learning, they also provide needed services, support, and recreational opportunities to help students meet the challenges of college and to enhance the quality of their personal and professional life.

In view of the above, the Technical event 'INNOVISION 2K15' was organized for students at the Institute by Technical Section. The key objective of this Technical Event was to serve as a research and training center for the development of creativity, knowledge and understanding theoretical concepts by applying them practically. To provide students with opportunities to apply their disciplines while meeting local and global community needs. To foster student learning, self-reflection, personal growth through local and global service endeavors.

We would like to thank Campus Chairman Hon. Satej D Patil, Campus Director Col. S. K. Joshi, Principal Prof (Mrs) Dr A V Patil, Assistant Registrar Mr Y K Patil and Dr Mrs Minaz Alvi for their support and guideline for organizing technical event for students.

Mr. Sandesh Sole-Patil
Technical In-charge

Mr. Sushil Gaikwad
Department Technical In-charge

INNOVISION 2K15

Students seeking higher education need a conducive and secure environment that fosters their personal and professional growth. Besides the academic coaching that they receive from their teachers, guidance and mentoring from soft skills professionals or trainers would help them enhance their skill sets and develop important aspects of personality, knowledge and soft skills, viz: leadership, team spirit, sense of responsibility and accountability. This could be achieved by organizing Technical events. These events provide comprehensive counseling and referral services to help students achieve their educational goals, strengthen their problem-solving skills, develop healthy relationships, and reach their optimum potential for continuous growth. To endorse the development of such multicultural sensitivity, awareness, knowledge, and competence of the students, it was decided to organize Technical event, on the 10th -11th February, 2015. These competitions were organized with an overall view of enhancing the personal and professional skills of the students' and also to maximize the opportunity for the development of their personal, social, intellectual and Technical qualities.

- **OBJECTIVES**

1. Appreciate and be able to execute strategic play
2. Participate at a level appropriate to one's developmental stage
3. Share in the planning and administration
4. Provide reasonable leadership
5. Work effectively within a group toward common goals
6. Appreciate the rituals and conventions that give particular Technical their unique meanings.
7. Develop the capacity to make reasoned decisions
8. Develop and apply knowledge to practical life

Management and Research, Akurdi, Pune-44**

**Technical Time-Table
Innovision 2K15**

Sr. No.	Event Name	Date	Venue
1	Robo Race	10 & 11 February	Basement
2	Car Sketching	10 February	Basement
3	Model Making	10 February	Basement
4	Poster Presentation	10 February	Basement

**Padmashree Dr. D. Y. Patil Institute of Engineering,
Management and Research, Akurdi, Pune-44**

Sr. No	Event Name	Registration
1	Robo Race	24 Teams
2	Model Making	6 Teams
3	Car Sketching	21 Participants
4	Poster Presentation	10 Teams

Padmashree Dr. D. Y. Patil Institute of Engineering,
Management and Research, Akurdi, Pune-44

Event Name: Robo Race

Winners :

Rank	Name
1	Jayprakash Choudhary and team (RSCOE)
2	Palash Katariya (DYPCOE)

Event Name: Car Sketching

Winners:

Rank	Name
1	Prathamesh Patil (DYPIEMR)
2	Girish P K (Indira College)

Event Name: Model Making

Winners

Rank	Name
1	Pratik Yadav and team (DYPIEMR)
2	Dilpreet Bedi and team (DYPIEMR)

Event Name: Poster Presentation

Winners

Ranks	Name
1	Ankit Nalawade and Anand Patil (DYPIEMR)
2	Vivek Singh (DYPIEMR)
