Title	Essay Competition on“ Environmental Awareness: Global Engineering Need “
Date	15/08/2022
Objectives	<ul style="list-style-type: none"> • Student will be able to put forward their opinion related to global industries and environmental scenario. • Student will be able to explore about Environmental Engineering. • Students will able to know about the environmental issues caused by global industries. • Students will be able to improve their writing skill, critical thinking and creativity.
Brief Description	The Essay competition was based on topic Environmental Awareness: Global Engineering Need and it was organized on the occasion of 75 th Independence Day celebration. The theme of essay was based on development in India for past 75 years. The aim of competition was to provide medium for students to put their opinion related to global industries and environmental scenarios. All department students from DYPIEMR were invited to participate in Essay writing. There were 10 students participated in this session. From this we can develop the communication. From this competition with the help of plagiarism, students learn about the ethics.
Outcome	<ul style="list-style-type: none"> • Essay competition helped students to put their opinion related to Global industries and environmental Scenarios. • It helped students to know about Environmental Engineering. • Essay Competition is very useful for the development of critical and analytical thinking skills. • It helps to improve writing skills and creativity. • It also helps to improve knowledge about different topics.
