

## COMPUTER ENGINEERING DEPARTMENT

*TechEra*  
*2021-2022*

### ABOUT DEPARTMENT

Department of Computer Engineering of DYPIEMR offers a broad undergraduate Pune University curriculum, based on theoretical foundations of computer engineering, practical applications and designing and implementation of the products and software's. The Department aims at providing high quality training to students through the latest in computer technology.

Department regularly organizes a series of lectures by academicians and industrialist professionals of the highest repute, which lay stress on the latest innovative technologies in the field of Computer Engineering. The Department has a team of highly experienced and motivated faculty members who are in the process of tuning the young minds to make them globally competitive.

### VISION & MISSION

PROF.PRATIKSHA  
SHEVATEKAR

HEAD OF DEPARTMENT

To produce competent computer professionals having strong fundamental knowledge, technical skills and work ethics.
