Observations and Recommendations:

Following are the observations from the academic and administrative audit conducted on 16.07.2018 for the academic year 2017-18.

Institute Strengths :

1. Qualified and self motivated faculty
2. Well equipped laboratory and excellent infrastructure
3. Properly planned academic activities and good track record of academic results.
4. Well planned and implemented soft skill and skill development programs.
5. Active Industry Institute Partnership cell.
6. Good placement record.
7. Energy efficient campus with renewable energy source.
8. Green and noise free campus.
9. Center of Excellence in Computer Department

Institute Weaknesses:

1. Participation of faculty at University level academic and administrative activities.
2. Research funding from government agencies and industry.
3. Consultancy and revenue generation.
4. Faculty publications in journals of repute and commercialization of patents.
5. Lack of centre of excellence in each department.

Recommendations:

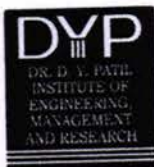

1. Centre of excellence can be established in each department to inculcate research culture among the faculty and students.
2. Faculty participation in conferences / workshop / Symposium may be enhanced.
3. Faculty cadre ration can be improved
4. Placement in core industries should be increased.
5. Financial assistance should be provided by the institute for student activities such as BAJA, SUPRA, ROBOCON etc.
