

MECHANICAL ENGINEERING DEPARTMENT

NEWSLETTER JULY 2023

DEPARTMENT VISION

To produce competent mechanical engineers by imparting quality technical education.

DEPARTMENT MISSION

- To provide an education and training so that the students build a solid foundation in mechanical engineering principles with creativity and innovation.
- To impart quality education and to enhance students skills and prepare for their professional careers.
- To develop linkages with other educational institutes and industries.
- To encourage students to become entrepreneurs and inculcate professional ethical practices by providing them with necessary inputs.

FROM HOD'S DESK

The department of Mechanical engineering being one of the oldest and the finest departments of the college has a learned and experienced faculty, who with their rich experience in academic and industry are able to enlighten the students about the latest trends and practical aspects of engineering. The department has excellent facilities for the students to enhance their skills in various fields of mechanical engineering. Our engineers are waiting for an opportunity to prove their mettle at work place that is equipped with their hard earned degrees. The department is having highly qualified, experienced & dedicated staff along with State of Art Infrastructure & well equipped Labs. The academics go hand in hand with Guest Lectures by Eminent Personalities from the Industry, Alumni students, & Subject Experts from Pune University. The theory is well explained with the help of practical & Industrial Visits.

Dr. Ganesh Jadhav
**HOD Mechanical
Engineering Department**

Industrial /University Visits (IPC Cell)

KLE Technological University, Hubali 7th July & 8th July 2023

Visit to Praj Industries Ltd, Hinjawadi on 7th July 2023

Pentagon Assembly Automation Pvt Ltd on 14th July 2023

Visit to Johnsons control on 14th July 2023

Awards

Heartly Congratulations

Team Genesis16 of DYPIEMR , Akurdi
participated in **SAE INDIA - SUPRA 2023**
organized on 10th to 13th July 2023
at **Buddh International Circuit, New Delhi** and
Won Best Vehicle Appearance Award

Alumni talk/ Guest Lectures

Preparation for MPSC/UPSC Examination by Ms.Rutuja Pagare (Alumni 2019 Batch)

AAKRUTI 2023
Shaping Imagination
VISCOM Design Masterclass
Concept Modeling using
xSHAPE & SKETCH TO 3D
July 19, 6pm
3DEXPERIENCE Edu
SOLIDWORKS

Navigating the path to higher education: A Comprehensive webinar to studying in the USA by Mr. Bhupendra Vishwakarma, project Engineer, FEV North America.

Training /Extra-Curricular Activities

Aptitude Session by Campus credentials for B.E Students
14th -17th July 2023

Mock GD and PI session by Barclays for B.E Students
On 28th July 2023

Induction Program for T.E Mechanical Students and
Debate Competition on NEP 2020 o 26th July 2023
