

ESSENCE

2019-20

Department Vision

To strive for excellence in Mechanical Engineering to cater ever changing industrial demands and social needs

Department Mission

- To impart quality education and to enhance students' skills to make them ready for their professional careers
- To provide an education that builds within students a solid foundation in mechanical engineering principles with creativity and innovation.
- To develop linkages with industries.
- To encourage students to become entrepreneurs, inculcate professional, ethical practices and make them socially responsible.

About Mechanical Engineering Department:

The department of Mechanical engineering being one of the oldest and the finest departments of the college has a learned and experienced faculty, who with their rich experience in academic and industry are able to enlighten the students about the latest trends and practical aspects of engineering. The department has excellent facilities for the students to enhance their skills in various fields of mechanical engineering. Our engineers are waiting for an opportunity to prove their mettle at work place that is equipped with their hard earned degrees. The department is having highly qualified, experienced & dedicated staff along with State of Art Infrastructure & well equipped Labs. The academics go hand in hand with Guest Lectures by Eminent Personalities from the Industry, Alumni students, & Subject Experts from Pune University. The theory is well explained with the help of practical & Industrial Visits.
