

7.1.3 – Degradable and non-degradable Waste Management

- Solid Waste Management:

Solid waste management Institute has provided dustbins at various locations to collect solid waste like paper waste, wrappers, and garbage. Towards the efforts for carbon neutrality, dry leaves and waste papers are not allowed to be put on fire in the campus. The Institute has carried out plantation drives to make the campus green. Scrap papers are collected and sold to the local vendors for recycling.

- Liquide Waste Management:

Liquid waste management Institute has constructed a 180000lit capacity sewage water treatment plant for liquid waste management.

- Dust bins:

Institute has provided dustbins at various locations to collect solid waste like paper waste, wrappers, and garbage.
