

7.1.5.1 - The institutional initiatives for greening the campus.

- Landscaping with Trees and Plants:
Various types of plants and trees are available in campus.
- Pedestrian Friendly pathway: Proper pathway is provided, and proper speed breaker are there to get good pathway for pedestrians.
- Use of battery powered vehicles: For transportation purposes.
- Ban on Use of Plastic: We are making our campus plastic free. So, we have taken the initiative regarding banning of plastic.
