Appreciation Letter

Department of Civil Engineering

Dr. D. Y Patil institute of Engineering Management and Research, Akurdi

Respected Madam,

Environmental Conservation Association (ECA) would like to extend heart full gratitude for all your efforts and encouraging students to spread awareness amongst people through a Street Play in Inter College Street Play Competition which was in Collaboration with “**Recycling and waste Management Expo 2018**” at Auto Cluster, Pimpri Chinchwad. To my surprise the event went better than expected and the positive feedback has been great. I would also like to thank Management for their continuous inspiration and support.

Thank you once again for sparing your precious time, from your busy schedule. Hope this co-operation will be extended to us and we look forward to your continued support in the future.

Thank you and Best Regards.
