Respected Madam,

Environmental Conservation Association (ECA) would like to thank Environmental Club and Civil Engineering Department of DYPIEMR, personally for all your support throughout the event of **“Making of Ganesh idol from Shadu Soil”** at your College. To my surprise the event went better than expected and the positive feedback has been great. Response of your institute for this event was really remarkable. I have received emails from other colleges too from your campus that planning for this event. I would also like to thank Management for their continuous inspiration and support.

Thank you once again for sparing your precious time and resources. Hope this co-operation will be extended to us and we look forward to your continued support in the future.

Thank you and Best Regards
