| Academic Year: 2022-23 | Summary of Activities Conducted |
| Term –I | ENTREPRENEURSHIP DEVELOPMENT CELL |

Summary of Activities Conducted

| Sr No | Event Date | Name | Supporting / Funding Agency | Outcome | Number of Beneficiaries |
|-------|--------------------------------|--|---|--|---------------------------|
| 1 | 18 th November 2022 | Visit to COEPs BHAU Institute | COEPs BHAU Institute Pune | Gave the students exposure to Startup culture & Ecosystem | Total Beneficiaries = 40 |
| 2 | 12 th October 2022 | Awareness session for SE AIDS Students by Dr. A. R. Kolhe | DYPIEMR in Association with AIDS Department | Made aware students about Entrepreneurship as an alternate carrier option to serve society. | Total Beneficiaries = 106 |
| 3 | 16 th November 2022 | Awareness session for SE Mechanical Students by Dr. A. R. Kolhe | DYPIEMR in Association with Mech. Department | Made aware students about Entrepreneurship as a alternate carrier option to serve society. | Total Beneficiaries = 98 |
| 4 | 1 st September 2022 | A talk on Charms of Being an Entrepreneur | DYPIEMR in Association with Civil Department | Aspiring entrepreneurs were motivated about knowing the opportunities in Business. | Total Beneficiaries = 117 |
| 5 | 29 th August 2022 | One Day Poster Competition on Innovations in Engineering: 'Prayas' Judge: Mr. Uday Deo, 'Pimpri Chinchwad Startup & Incubation Centre. | 'Pimpri Chinchwad Startup and Incubation Centre. | Students implement their own ideas; The best two groups has offered the incubation, mentoring facility 'Pimpri Chinchwad Start up and Incubation Centre. | Total Beneficiaries = 144 |
| 6 | 12 th April 2022 | "VERTEXO" An Idea Generation Workshop Judge: Ms Ridhima Pawar, COEPs BHAU Institute | COEP's BHAU and ED Cell, | Students explored their new business ideas, Two Groups received Incubation Facility from COEP's BHAU | Total Beneficiaries = 38 |
| 7 | March 2022 | Students Start Up Proposals - SPPU Research Park Foundation Incubation Application | SPPU Research Park Foundation | Students prepared detailed proposal on their Business Ideas and submitted to the SPPU Research Park Foundation | Total Beneficiaries = 14 |
| 8 | 11 th August 2021 | A Webinar on Entrepreneurship Development and Opportunities by Mr. Neerajkumar S Sathawane CEO,RND Products | DYPIEMR in Association with E&TC Engineering Department | Created awareness in students about various facets of Innovation, Entrepreneurship and Startup as an alternative career option | Total Beneficiaries = 172 |

| Sr No | Event Date | Name | Supporting / Funding Agency | Outcome | Number of Beneficiaries |
|--------------|--|---|---|---|---|
| 9 | 11 th August 2021 | A Webinar on Opportunities For Civil Engineers in Project Management Consultancy by Mr. Nilesh Laddad, MD, Planedge Consultants Pvt. Ltd | DYPIEMR in Association with Civil Engg Department | Helped civil engineering students understood the qualities required to become successful Project Management Consultant. | Beneficiaries = 196 Civil Engineering Department students of DYPIEMR |
| 10 | 10 th August 2021 | A Webinar on Entrepreneur Enterprise: Planning and Development by, Mr. Aditya Pratap Singh Founder and Managing Partner Tevoren Technologies LL | DYPIEMR in Association with Chemical Engineering Department | This workshop helped students about skill-sets required and legalities for successful Enterprise Planning and Development | Beneficiaries = 153 Chemical Engineering Department students of DYPIEMR |
| 11 | 10 th August 2021 | A Webinar on Entrepreneurship as a Career opportunity by Dr. Dileep S. More, EDC Head, Dr D Y Patil School of Engineering Lohegaon | DYPIEMR in Association with First Year Engineering Department | This webinar created awareness among students about various facets of entrepreneurship as an alternative career option. | Beneficiaries = 268 students of DYPIEMR |
| 12 | 9 th August 2021 | A Webinar on Entrepreneurial Opportunities For Civil Engineers by Dr. Kamalkant Wadalkar, Chief Editor Abhiyanta Mitra, Pune | DYPIEMR in Association with Civil Engineering Department | This workshop helped civil engineering students to be loaded with new Business Ideas. | Beneficiaries = 173 Civil Engineering Department students of DYPIEMR |
| 13 | 7 th August 2021 | A Webinar on Benefits of Start-up and How does an Entrepreneur Start a Journey | DYPIEMR in Association with Computer Department | Helped students about skill-sets required and make aware about various facets of Innovation, Entrepreneurship and Startup for successful Entrepreneur | Beneficiaries = 196 Computer Engineering Department students of DYPIEMR |
| 14 | 22 nd to 24 th December 2020 | Three Days Awareness Camp on Innovation, Entrepreneurship and Startup | Supported by Institution's Innovation cell of MHRD | This Camp created awareness among students about various facets of Innovation, Entrepreneurship and Startup as an alternative career option. | Beneficiaries = 457 (398 students of DYPIEMR & 59 students from other institutions) |
| 15 | 28 th July 2020 | Webinar on Funding Opportunity for Alumni Entrepreneurs | Supported by Science and Technology Park Pune | The webinar helped Alumni Entrepreneurs to fill applications for grant support under its NIDHI-EIR programme. | Beneficiaries = 53 Alumina |

| Sr No | Event Date | Name | Supporting / Funding Agency | Outcome | Number of Beneficiaries |
|--------------|---|--|--|--|---|
| 16 | 31 st January 2020 | A workshop on Employment – Entrepreneurship and Mentoring, | Proposed & funded by Deptt. of Lifelong learning & extension SPPU Pune | This workshop helped students about skill-sets required for successful Entrepreneur | Beneficiaries = 73 students of DYPIEMR |
| 17 | 21 st January 2020 | “VERTEXO” An Idea Generation Workshop | DYPIEMR | This workshop helped students to be loaded with new Business Ideas. | Beneficiaries = 31 students of DYPIEMR |
| 18 | 8 th January 2020 | Guest lecture on "The World of Entrepreneurship" during their induction program | FE Department DYPIEMR | This lecture makes aware the newly joined students about entrepreneurship and its importance. | Beneficiaries = FE students of DYPIEMR |
| 19 | 27th - 29th September 2019 | Three Days Entrepreneurship Awareness Camp (EAC) | EDI, Ahemadbad DYPIEMR | Understood various aspects of Entrepreneurship, various Government schemes to support the Entrepreneurship and how to start this journey, challenges and opportunities | Beneficiaries = 112 students of DYPIEMR |
| 20 | 25 th -26 th July 2019 | Workshop on “R.C.C. Design and Quality Control” | Civil Engineering Department, DYPIEMR | This workshop helped civil engineering students to be loaded with new Business Ideas. | Beneficiaries = 60 Students of civil engineering department |
| 21 | 20 th to 22 nd Feb 2019 | Workshop on “ Light ti Reality” | Civil Engineering Department DYPIEMR | This workshop helped civil engineering students to be loaded with new Business Ideas. | Beneficiaries = 135 Students of civil engineering department |
| 22 | 22 nd Feb 2019 | Expert lecture by Mrs. Mridula Jain, Vice Chairperson, Shingora Textiles Ltd., manufacturers of Shingora Shawls. | Dr. D Y Patil Educational Complex Akurdi Pune | This lecture makes aware the students about entrepreneurial journey of Mrs. Mridula Jain. | Beneficiaries = 128 Dr. D Y Patil Educational Complex Akurdi Pune |

ACADEMIC Year: 2022-23

Name of Club: Entrepreneur Development Cell

Name of Activity: ED Cell Incubation cell visit to COEPs BHAU

Date : 18/11/2022

Description :

To make aware the student of the second year about Start-Up ecosystem an incubation cell visit on developing the start-up mind-set and promoting innovation and creativity was organized by the teachers and students of ED cell of DYPIEMR on 18th November 2022. The purpose of this activity was to give exposure to increasing start-up culture and providing a platform for new-generation entrepreneurs to transform their business ideas into concrete business plans.

Name of Club: Entrepreneurship Development Cell

Name of Activity : Awareness Session on Entrepreneurship Development for SE Mechanical Students

Date : 16/11/2022

Description :

Awareness Session on Entrepreneurship Development has conducted by Dr. Atul Kolhe, In-charge ED Cell of the institute. Seminar started with the introduction of Entrepreneur Development Cell and Awareness about Entrepreneurship. Speaker explained the difference between Businessman and Entrepreneur with examples and also spoke why it is important to be innovative for an entrepreneur. He also discussed the various funding sources available from the government and private sector to support new ideas and startups, and also shared the collaboration of EDC DYPIEMR and COEP's Bhau Institute. During the session, the speakers gave participants the opportunity to interact and clear their doubts.

Name of Club: Entrepreneurship Development Cell

Name of Activity : Awareness Session on Entrepreneurship Development for SE AIDS Students

Date : 12th October 2022

Description:

To inform the students of Second Year about Importance of Entrepreneurship & Development Cell on developing the startup mindset and promoting innovation and creativity was organized by the teachers & students of ED Cell of AIDS Department DYPIEMR on 12th October 2022. The purpose of this activity was to aware students about increasing startup culture and provides information regarding new generation entrepreneurs to transform their business ideas into concrete business plans.

Name of Club: Entrepreneur Development Cell

Name of Activity: Vasundhara Film Festival Idea Challenge

Date : 23rd September 2022

Description:

To aware the student of engineering about Vasundhara Festival on Protecting the Earth and preserving it for generations to come is at the forefront of our minds. Vasundhara, the international film festival that showcases films with an environmental conscience, is now a movement of its own. With quality films, presentations, talks and allied activities, all of which build the case for activist environmentalism, DYPIEMR Vasundhara film festival is our attempt to reorient our minds and influence the policies of our country.

Name of Club: Entrepreneurship Development Cell

Name of Activity : Charms of Being Entrepreneur

Date : 1st September 2022

Name of Activity : Entrepreneurial Opportunities for Civil Engineers

Date : 9th August 2021 (Monday, 11:30 am to 1:00 pm)

Description : The webinar started with the general introduction on Civil Engineering and the scope for entrepreneurship by Dr. Kamalkant, Wadelkar. It also highlighted the various opportunities for the civil engineer to start his or her own venture. Basically, Entrepreneurship is the capability and willingness to form, arrange and conduct a business activity along with any of its suspicions in order to craft earnings. The most outstanding paradigm of entrepreneurship is the opening of fresh businesses. Hence, it is defined as someone who has the knack and yearning to set up, oversee, and thrive in a start-up enterprise along with risk having with it, to make benefits. In Civil Engineering, entrepreneurship associated with land, workers at various level, natural assets and capital that can make a benefit in terms of revenue.

Name of Activity: A success Story of Woman Entrepreneur by Ms. Mridula Jain

Date : 27th September 2019

Ms. Mridula Jain, Chairperson, Shawl club of India – association of wool marks narrated that an important milestone in their journey and her story was to make Shingora acceptable as a Shawl that would make Women think beyond Pashmina. The challenge was to revolutionise designs and adapt fabrics to make this a reality. She expressed that though her journey was demanding, the outcomes were highly satisfying. Her message to the entrepreneurs was that they must identify their interest, their business idea and then do everything in their wherewithal as Dreams have no limits.
