

2022-23

Fresher's Day and Teacher's Day (12.09.22)

The purpose of Fresher's Party and Teacher's Day was to welcome new students in a friendly atmosphere and to encourage their creative impulses to boost their confidence. It was the day where seniors and juniors finally bond and unite to celebrate being part of the college. This event had various games & activities which engaged all the seniors :

Dance

Song Dhumshera

Songs

Rapid Fire

Questioning round (for Mr & Miss Fresher's)

Teachers are always an inspiration to students and give motivation to them in every step so the teachers need to be respected. Different games were organised for all teachers.

Profile Building and Career Opportunities (10.08.22)

The event was organized to Provide guidelines to choose projects and internships. Holistic profile building **strives** to close the knowledge gap between the academic knowledge learned in educational institutions and the practical abilities required in the workplace.

Placement Talk by Alumni (20.08.22)

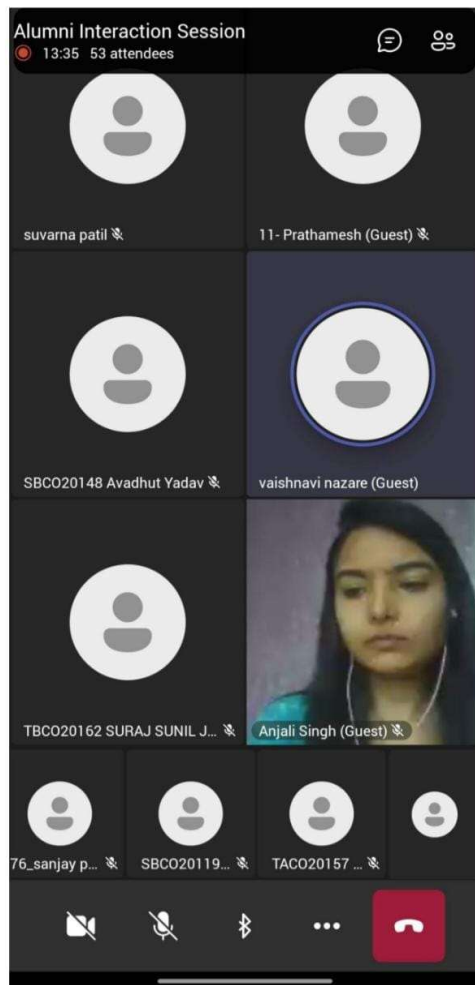

The event was organized to roadmap for Placements including the basic requirements for placements and the minimum expected prerequisite for the placements. Her discussion continued with the different levels of rounds in placements including Shortlisting Candidates, Coding Round, Technical Round & HR Round.

Rangoli and Drawing Competition

The Event flow was as follows: The event started off with the inauguration of the competition by our guest judges and faculty members. One hour was given to the participants to complete rangolis and drawings. “Ganesha” was the theme for the drawing competition. All drawings were eye-catching. It was followed by the photo session of participants with their art.

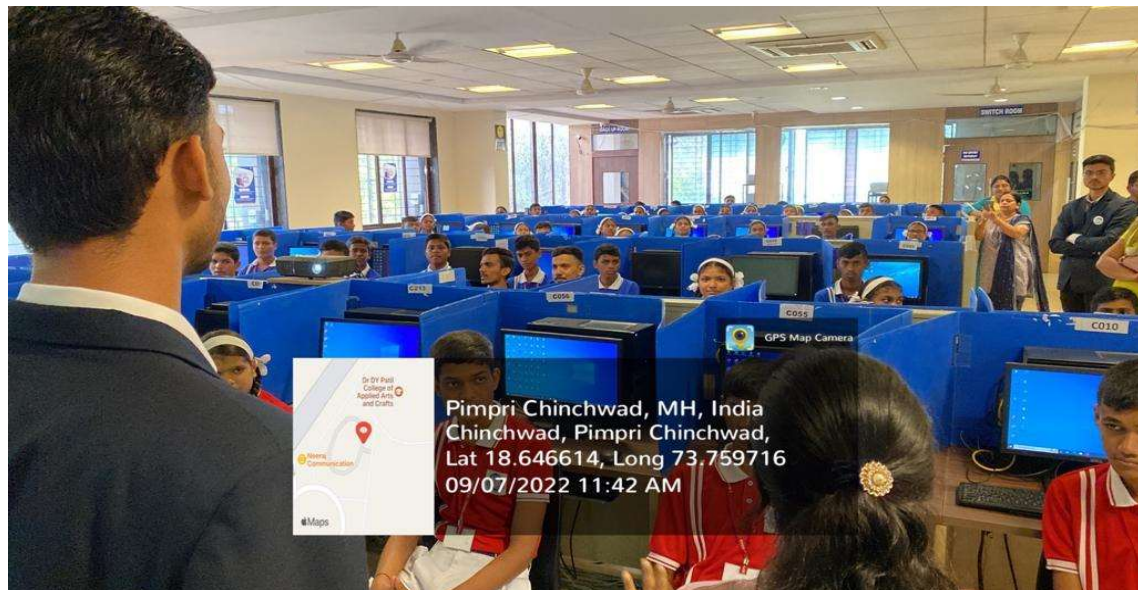

Computer Awareness Program

The Event flow was as follows:

The Event started off with the inauguration of the Event by our guest judges and faculty members. One hour was given to the participants to complete given tasks with proper guidance.

Visarjan Ghat Cleaning

The Event flow was as follows:

We arrived at the visarjan ghat in Ravet and the members of our team performed a skit regarding cleaning of the ghat also creating awareness of keeping our surroundings clean. Coordinators then distributed gloves, brooms, garbage bags, etc. All the volunteers, coordinators, members cleaned the ghat with upmost precision making this activity a great success.

Tree Plantation

The Event flow was as follows:

The need for tree plantation has become even greater these days because of the growing pollution in the environment. This activity was carried out at Durga Tekadi. Around 20-30 saplings were planted.

Model Making Competition (2nd December 2022)

Model Making Competition was arranged by CompSA in association with ISTE

Students have made models based on Environment studies. Topics selected were Solar energy & Best out of west.

Students have made eco-friendly models to promote green technology. Students from different programmes presented their skills in very innovative and informative way.

Students learnt about Model making & presentation skills.
