- Frequency of the Board Meeting and Academic Advisory Body**

The Board meetings are conducted on an yearly basis whereas the Academic Advisory Body meets on a semester basis.

- Organizational chart and processes**

- Nature and Extent of involvement of Faculty and students in academic affairs/improvements**

The management of the Institute which comprises Governing Body (GB), Local Management Committee (LMC) /College Development Committee (CDC), Department Advisory Boards (DAB) and Internal Quality Assurance Cell (IQAC), plays a very important role in the design and implementation of policies and plans for the Institute. To achieve the vision and mission, policies and action plans are developed & executed by the Principal with the involvement of all stakeholders. The decisions and policies to improve academic activities are reviewed and effectively implemented through participation of faculty, staff and students.

5. Governance

Policies and action plans for the Institute are framed through deliberations with the GB & LMC / CDC and other stakeholders. As per the inputs of the LMC / CDC, the GB finalizes the course of actions for implementations of the plans for fulfilment of stated mission. The Principal, Heads of Departments and faculty members interact regularly with stakeholders through induction programs, parents' meets, alumni meets, and industry-institute interaction meets. These deliberations are treated as confidence boosters to propagate quality policies, action plans and future projections of the Institute.

- **Mechanism/ Norms and Procedure for democratic/ good Governance**

Participative management is ensured at all operational levels i.e. GB, LMC / CDC, IQAC, various committees, cells etc. through representation of various stakeholders. Inputs from faculty, students and all stake holders are considered for policy and decision making and its implementation at department and Institute level. The departments are encouraged to arrange various activities for the benefit of Students and Faculties; and all necessary resources are provided to conduct such activities. The functioning of the Institute is monitored at three levels. They are as follows:

1. Dr. D. Y. Patil Prathishthan: The management of the Institute rests with its Governing Body, whose members, are appointed in accordance with the guidelines provided by AICTE and LMC / CDC in accordance with the guidelines by SPPU. The resolutions made in the GB and LMC / CDC meetings related to the policies and plans are communicated to the Institute.

2. Institute - Principal is the academic and administrative head of the Institute and the Member Secretary of the Governing Body, LMC/CDC and chairman of IQAC. IQAC receives policy guidelines from GB and LMC/CDC as well as inputs from various stakeholders and prepares action plans for quality enhancement in line with the vision and mission of the Institute.

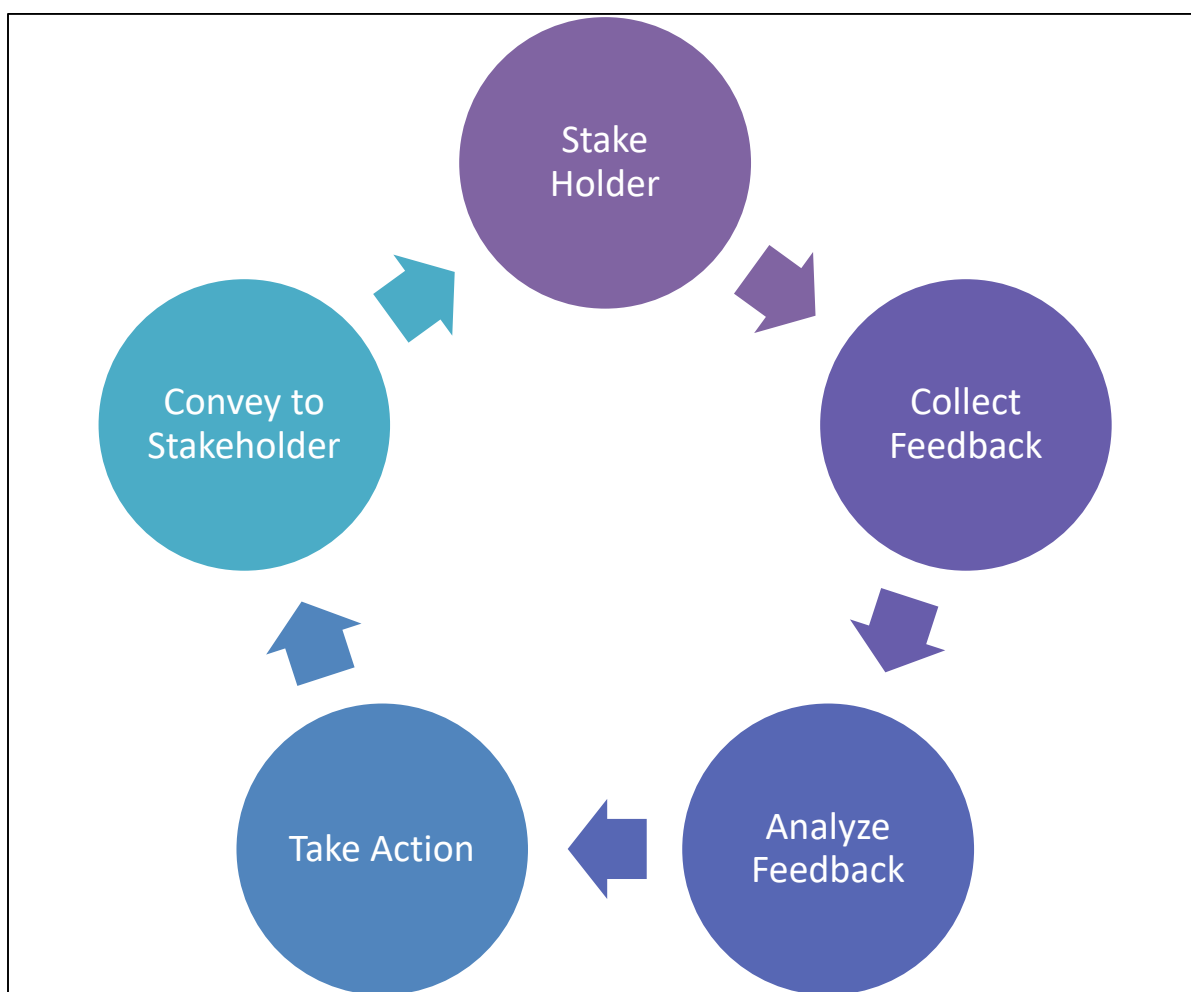

3. Department-The Head of Department is responsible for the day-to-day management of the department and reports directly to the Principal. Every department has its own DAB

5. Governance

and quality initiatives suggested by its members are forwarded to IQAC for further course of actions.

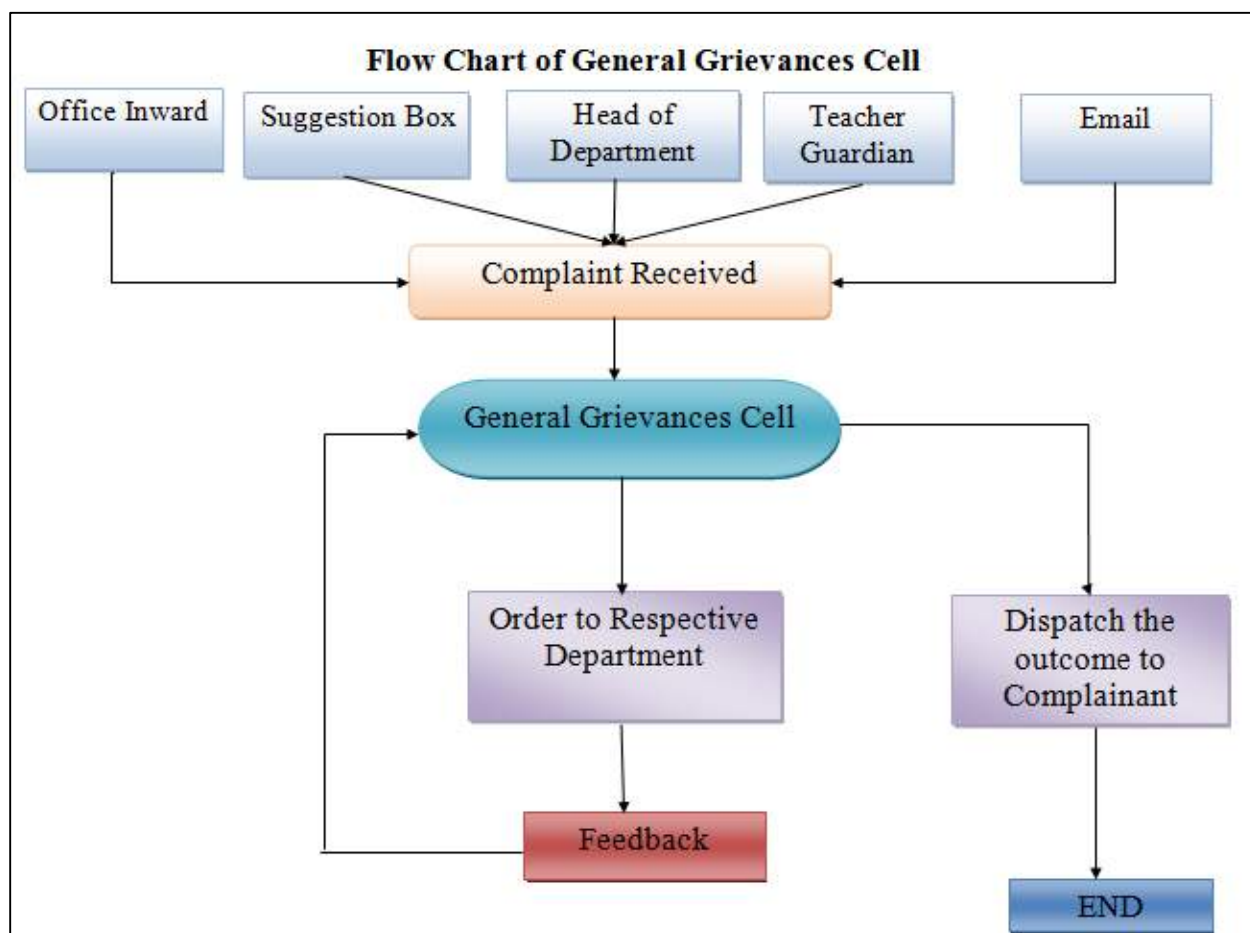

The management ensures that the opinions and suggestions made by all stakeholders are included in decisions implemented for college development. Thus, the overall coordination amongst these committees and the participation of all concerned helps in the overall improvement in the functioning of the Institute.

- **Student Feedback on Institutional Governance/ Faculty performance**
 - Internal and external feedback of faculty is taken every semester to appreciate the efforts taken by the faculty, as well as to identify and suggest the areas of improvement.

- Grievance Redressal mechanism for Faculty, staff and students**

- The General Grievance Committee is formed to address the grievance of all stakeholders which are not resolved through regular channel or not to the satisfaction of compliant.
- The grievances will be collected from suggestion box, HOD, Teacher Guardian or directly address to Principal or through email address provided on college website.
- The coordinator will collect the grievances from all the sources mentioned. Depending upon the nature & emergency, the meeting will be called for discussion.

11. Admission Procedure:

11.1 Details of admission test and test agency/ authority

a) **Name of Test** - MHT-CET

Test Authority - GOVERNMENT OF MAHARASHTRA, State Common Entrance Test Cell, 8th floor, New Excelsior Building, A.K. Nayak Marg, Fort, Mumbai 400001

E-Mail: maharashtra.cetcell@gmail.com, Website: <http://www.mahacet.org>

b) **Name of Test** – JEE Main (PCM)

Test Authority/ Agency - National Testing Agency , NSIC-MDBP Building, First Floor, Okhla Industrial Estate, New Delhi-110020. Contact No. : 0120 6895200, 011-40759000

11.2 Number of seats allocation on the basis of different tests.

(As Prescribed by competent authority , CET cell Maharashtra)

a) MHT- CET- 65 %

b. JEE (Main) 15 %

c) For Institute level 20% MHT-CET/ JEE (Main)

11.3 Calendar for admission against management /vacant seats

(As Prescribed by competent Authority)

- Last date for closing of admission - 05/11/2021
- Starting of the academic session -25/12/2021

submitted to the Institute within two days from submission of duly signed copy of system generated application to the Institute.

(b) Notwithstanding clause (a) above, candidate shall not be entitled to any refund of his/her fee except the Security Deposit and Caution Money Deposit if the online cancellation is effected by the candidate after 5.00 p.m. of the cut-off date prescribed by the Competent Authority;

12. Criteria and weightage for admission:

(As Prescribed by competent authority)

A) Eligibility Criteria for Admission

(1) Maharashtra State Candidature Candidate. –

(i) The Candidate should be an Indian National; (ii) Passed HSC or its equivalent examination with Physics and Mathematics as compulsory subjects along with one of the Chemistry or Biotechnology or Biology or Technical Vocational subject or Computer Science or Information Technology or Informatics Practices or Agriculture or Engineering Graphics or Business Studies , and obtained at least 45% marks (at least 40% marks, in case of Backward class categories, Economically Weaker Section and Persons with Disability candidates belonging to Maharashtra State only) in the above subjects taken together and The Candidate should have appeared in all the subjects in MHT-CET 2020 and should obtain non zero score in MHT-CET 2021. Or

(ii) Passed Diploma in Engineering and Technology and obtained at least 45% marks (at least 40% marks, in case of Backward class categories, Economically Weaker Section and Persons with Disability candidates belonging to Maharashtra State only);

(2) All India Candidature Candidates, Union Territory of Jammu and Kashmir and Union Territory of Ladakh Migrant Candidature Candidates. –

(i) The Candidate should be an Indian National; (ii) Passed HSC or its equivalent examination with Physics and Mathematics as compulsory subjects along with one of the Chemistry or Biotechnology or Biology or Technical Vocational subject or Computer Science or Information Technology or Informatics Practices or Agriculture or Engineering Graphics or Business Studies and obtained at least 45% marks (at least 40% marks, in case of Backward class categories, Economically Weaker Section and Persons with Disability candidates belonging to Maharashtra State only) in the above subjects taken together and should obtain non zero positive score in JEE Main (B.E/B.Tech) or the candidate should have appeared in all the subjects in MHT-CET 2020 and should obtain non zero score in MHT-CET 2020. However, preference shall be given to the candidate obtaining non zero

INDEPENDENT AUDITORS' REPORT

1. REPORT ON THE FINANCIAL STATEMENTS:

We have audited the accompanying financial statements of **Dr. D. Y. Patil Institute of Engineering Management & Research**, which comprises the Balance Sheet as at March 31, 2018, the Income & Expenditure Statement for the year then ended, and a summary of significant accounting policies.

2. MANAGEMENT'S RESPONSIBILITY FOR THE FINANCIAL STATEMENTS:

Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance in accordance with the Accounting Standards applicable to the entity. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

3. AUDITOR'S RESPONSIBILITY:

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

In making those risk assessments, the auditor considers internal control relevant to the entities preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances.

An audit also includes evaluating the appropriateness of accounting policies and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

4. OPINION:

In our opinion and to the best of our information and according to the explanations given to us the financials statements give a true and fair view in conformity with the accounting principles generally accepted in India,

- a. In the case of the Balance Sheet of the State of Affairs as at 31-March-2018 and

INDEPENDENT AUDITORS' REPORT

1. OPINION:

We have audited the accompanying financial statements of **DR. D. Y. PATIL INSTITUTE OF ENGINEERING MANAGEMENT & RESEARCH**, which comprises the Balance Sheet as at March 31, 2019, the Income & Expenditure Statement for the year then ended, and a summary of significant accounting policies.

In our opinion, the accompanying financial statements of the entity are prepared, in all material respects, in accordance with the Bombay Public Trust Act, 1950 and of its financial performance for the year then ended in accordance with the Accounting Standards issued by the Institute of Chartered Accountants of India (ICAI).

2. BASIS OF OPINION

We conducted our audit in accordance with the Standards on Auditing (SAs) issued by ICAI. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the entity in accordance with the ethical requirements that are relevant to our audit of the financial statements, and we have fulfilled our other responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

3. RESPONSIBILITIES OF MANAGEMENT AND THOSE CHARGED WITH GOVERNANCE FOR THE FINANCIAL STATEMENTS:

Management is responsible for the preparation of the financial statements in accordance with Bombay Public Trust Act, 1950 and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the entity's financial reporting process.

3. **AUDITOR'S RESPONSIBILITY FOR THE AUDIT OF THE FINANCIAL STATEMENTS:**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

20. Best Practices adopted

Core values of DYPIEMR are Excellence, Ethics & Integrity, Focus on students, Accountability & Transparency and Use of technology. All activities in the Institute are carried out to inculcate these core values among the students and staff in order to fulfill the Vision of the Institute.

The Institute is committed to sensitise the students and staff on gender equality through various gender equality promotion programmes. To ensure safety and security, CCTV cameras are installed all over the Campus and security is provided round the clock. Equal opportunities are provided to all irrespective of their gender. It is heartening to note that the Institute is headed by a woman, four out of six HoDs are women and 36 % of faculty members are women.

DYPIEMR is committed to adopting environment friendly practices with regards to plantation, waste management, use of renewable energy resources, rain water harvesting etc. A number of programmes have been organized for the benefit of and in association with local community. Institute makes all out efforts to create awareness among students and staff about social responsibilities and consciousness about human values & professional ethics.

In order to achieve its Vision, the Institute has adopted a number of best practices. Career Augmentation Training is provided to the students to enhance their technical and soft skills and to make them globally proficient and employable.

DYPIEMR has established an Industry – Institute Partnership Cell to foster meaningful interaction. This Cell has been instrumental in creating linkages with industries, thereby, contributing to enhancing the quality of education by arranging industrial visits, sponsored projects, guest lectures by experts from industries, etc.

DYPIEMR takes pride in its dynamic and talented faculty. At the same time it realizes the need to train and retrain them to maximise their potential as teachers who shape the next generation for nation-building. Various enrichment programmes are, therefore, organised for the faculty at Institute and Campus level. The objectives are to enhance their knowledge and skills, to augment their effectiveness in content design and delivery, to inculcate professional ethics and integrity, and to familiarize them with their social responsibilities
