Activity Report

Activity	World Environment Day 05-06-2022
Department	CIVIL ENGINEERING

Title	World Environment Day 05-06-2022
Date	05/06/2022
Objectives	<ul style="list-style-type: none"> • Introduction to World Environment Day • Importance of Tree plantation. • To spread the Awareness about the threat to the Environment due to rising population.
Brief Description	Civil Engineering Department organized Tree Plantation Programme on the occasion of the World Environment Day in different parts of our locality. The students and teachers selected the empty places and the roadsides to plant saplings in a well-organised way. In order to restore the eco-balance of the a forestation drive was taken with all seriousness. participants were highly enthusiastic to make it a big success. The students planted saplings, and fenced them and watered the plants. Every step of the programm was appreciated by theCivil Engineering Department.
Outcome	By shrinkingthe area of natural habitat for animals, we have created ideal conditions for pathogens — to spread. The fact remains that only with healthy ecosystems can we enhance people’s livelihoods, counteract <u>climate change</u> and stop the collapse of biodiversity.
