About the Department

The Electronics Telecommunication & Department is established in the Year 2013 to meet the needs of increasing demands of E&TC Engineers in Industry, Telecom Sector, and Embedded Technologies & VLSI. The department is having highly qualified, experienced & dedicated staff along with State of Art Infrastructure & well equipped Labs. The teaching learning process is made Student centric using the latest technologies. The academics go hand in hand with Guest Lectures by Eminent Personalities from the Industry, Alumni students, & Subject Experts from Pune University. The theory is well explained with the help of practical & Industrial Visits to various Industries.

Vision :

- To impart quality education to produce competent E&TC Engineers

Mission :

- To equip students with strong basics through excellent blend of theory and practical knowledge.
- To inculcate creativity and innovation through curricular and co-curricular activities.
- To give the knowledge about all possible areas of E&TC by interacting with professional world .
- To develop the students with communication skills and ethical standards to meet the professional needs .

IEEE DYPIEMR STUDENT BRANCH

Visit to Matruseva Vidya Mandir, Akurdi, Pune was organized on 5/04/2022 by staff members and TE Students of E & TC department on the occasion of Education week organized by IEEE Pune Section. We had an interaction with the students of standard 8th and taught them basics of Microsoft Word (How to create a document, Fonts Theme , Fonts Size, , Microsoft Powerpoint (Slideshow, Animations, and Microsoft Excel , Cells, Rows, Column, Tables, Charts, Graph).

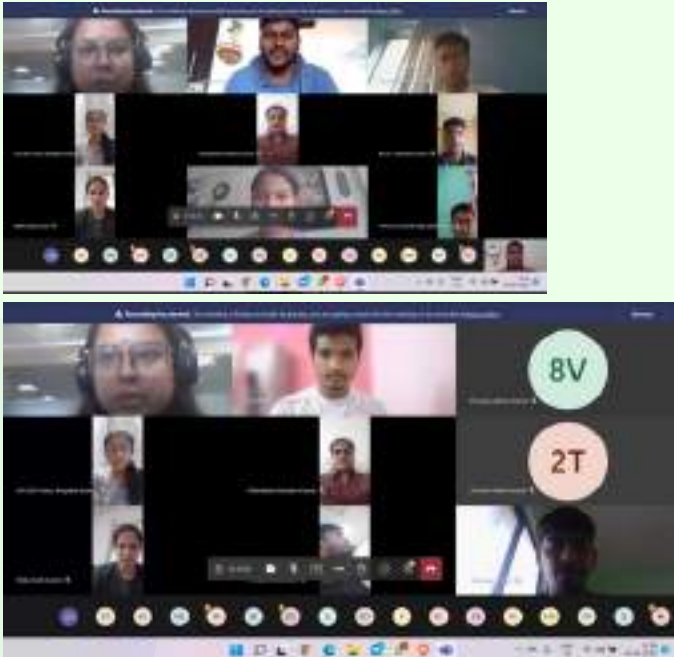

Tree plantation activity is done on 09/10/2021 at 10 am at Ganesh Talav, Nigdi, Pimpri Chinchwad and also at our campus We have pharmacy college and we made our students to plant Medicinal plants such as Aloe,Tulsi,Neem,turmeric and Ginger that can cure several common ailments. These are considered as home remedies in many parts of country. We planted 15 trees in that area. 3 staff and 17 students from SE and TE class are participated in this activity.

Debate Competition Vadvivad 2.0 was conducted by the IEEE students Chair on 8/01/2022 for students of all Departments The primary objective of the debate competition on the Cyber Awareness Day was to bring about awareness of different cyber crimes.

MATLAB SIMULINK & STATISTICAL DATA ANALYSIS USING MATLAB

Mr. Suraj Gawande was the resource person. The primary objective of the workshop is providing the students with the basic idea of MATLAB basics and MATLAB Simulink and the hands-on experience with using MATLAB software for different function.

PROJECTS BASED ON ENVIRONMENT AND SUSTAINABILITY COMPETITION

STUDENT ACHIEVEMENTS

SMART INDIA HACKATHON "STICK TO GREENS"

1st prize cash amount Rs. 10000
